

	<h2 style="text-align: center;">Hampton WI March 2017</h2>	
<p>Please think if you might like to be our 'Star Baker' one month & make cakes for our meeting's refreshments. Please sign in on the sheet in the Info Folder. We will remind you a week or so beforehand.</p>		<p>Do try to find time to glance though the Info Folder. You will miss out on a lot otherwise. There is info about WI events & local ones we think you might be interested in too.</p>
<p style="text-align: center;">A lot of work goes into our website-do you ever look at it? It's getting better all the time! www.thehamptonwi.com</p>		
<p>Now the Tudor Roses WI are active we hope to organise some events with them. Sometimes, for instance, there are very good bargains, such as cheap theatre trips, where groups of 10+ people are needed in order to benefit-so maybe we can raise enough people between us.</p>		<p>Shall we have a trip to a concert at The Pool? Would have to move pretty fast as tickets-around £30-£35-each sell very quickly! How about Kast off Kinks on Fri 14th July? Only an idea yet but please fill in form with contacts & we will get back to you. Info here tonight on sign-in table.</p>
<p>Quick reminder to not chuck out any of your old junk-oooh no-sorry-any nice little bits & bobs we can sell at our car Boot Stall later in the year!</p>		
<p>We have been offered the exciting opportunity to be more involved at Carnival on June 10th. It would be lovely to be able to accept- but we would need more support than previously. Please think if you would be prepared to give a hand for your community-we will have to decide soon.</p>		
<p>Hampton Community Network is a new endeavour in which we are involved, which is trying to improve the spirit of community in the area. They produce 'Hampton Community Newsletter'-see Info Folder. If you belong to a local social group which is not yet included, they would love to hear from you.</p>		<p>Today is our last chance to vote for the Boards of Trustees (we'd call them 'The Committee') of our own Middlesex Federation & the National Federation. Please listen for further info tonight.</p>
<p>Keep on keeping on with Teddies, Quilts, and Muffs-all you need to know is on our web site or in the folder. And we are still collecting old & foreign coins & silica packets.</p>		
<p>And finally-can I just whisper one word in your ear? SUBS??!!!!</p>
